

Super Agent

Mistral-7B-Instruct as a drop-in replacement for #GPT .

Pipeline will support fine-tuning for function calling and retrieval which means Assistants on @superagent_ai could be run on Open Source LLMs.

Below is a demo of mistral-7b-instruct-v0.1 running as a drop-in replacement for #GPT and calling a browser tool to summarize a website.

⚡Time to completion: 2.5s 📄Total tokens used: 1041

Gradual roll-out will start with Mistral and Llama 2 13B/70B...
